

MHS KS3 Assessed tasks

	Year 7	Year 8	Year 9
Food Technology	Pizza making Evaluation of fruit salad	Seasonal fruit crumble Victoria sponge	Sensory analysis of sweet and sour noodles Gourmet burger
Textiles	Stitching and embroidery practice Design ideas for monster doll	Decorative technique samples Finished product: T-shirt	Product analysis Finished product: re-usable tote bag
Product Design	Product analysis Design ideas for wooden creature	Finished product: insect house CAD design work	Research on iconic designers Developed design ideas
Art	Mood board Mark making practice	Celebrity portrait Artist response (Mark Powell)	Burger painting Ceramic model

In years 7, 8 and 9 all learners will study four different specialisms: Product Design, Textiles, Food Technology and Art in 9-week cycles throughout the year. Two tasks per cycle will be assessed (shown above), at least one of these will be from the LET common curriculum. **Each cycle will also contain a summative assessment.** Each assessed task will focus on one of the four key areas common to all the specialisms with Art, Design and Technology: explore, develop, create and evaluate.

BTEC Construction

Term	Year 10	Year 11
Autumn 1	Component 2: Construction in Practice Deadline for completed coursework: 28/11/24	Component 3: Construction and Design Deadline for completed coursework: 28/11/24
Autumn 2		
Spring 1	Component 1: Construction Technology Performance requirements Sustainability Structural forms for low rise construction Pre-construction work and groundworks	Component 1: Construction Technology Superstructures: walls, floors and roofs Understanding the work of the construction industry The construction industry and the built environment
Spring 2		
Summer 1		
Summer 2	Component 1: Construction Technology trial exam	Component 1: Construction Technology final exam

GCSE Design and Technology

Term	Year 10	Year 11
Autumn 1	Technical drawing Picture frame project End of topic test: polymers	Trial '0'exam NEA Section A deadline 27/09/24 NEA Section B deadline 11/10/24
Autumn 2	Metals spinner project End of topic test: metals	November trial exam NEA Section C deadline 22/11/24
Spring 1	Nightlight project End of topic test: CAD / CAM	NEA Section D deadline 31/01/25
Spring 2		NEA Section E deadline 14/03/25 NEA Section F deadline 04/04/25
Summer 1		Exam revision
Summer 2	Year 10 trial exam NEA release date 01/06/25	

GCSE Food Preparation and Nutrition

	Year 10	Year 11
Autumn 1	Baseline assessment 02/09/24	Trial '0'exam NEA 1: Release date 01/09/2024 NEA 1: Hand in date 29/10 / 24
Autumn 2	End of topic assessment 04/11/24	November trial exams NEA 2 Release date 04/11/24 NEA 2 Section A deadline 22/11/24
Spring 1	Practical assessment: chicken End of topic assessment 20/01/25	NEA 2 Section B deadline 19/01/25 NEA 2 section C deadline 14/02/25
Spring 2	End of topic assessment 31/03/25	NEA 2 Section D final cook w/c 03/03/24 NEA 2 Section E deadline 21/03/25 NEA 2: final deadline 04/04/25
Summer 1	NEA 1 mock	Exam revision
Summer 2	Year 10 trial exam
